

# Niall O'Brien Center

for Active Nonviolence, Reconciliation  
and Community Futures

## Mission

Our Center is a space for building and rebuilding relationships in the spirit of a holistic vision of peace.

It is a place for encounter, conversation and dialog.

A place to experience inner peace in a peaceful environment.

And a place to learn about peace, conflict, and reconciliation.

Our programs therefore focus on creative self- and conflict transformation, authentic development and democratic empowerment towards a reconciling society.
